Diploma

Summary

A highly dedicated IT graduate in Diploma in ICT in Application Development, willing to secure a challenging position in a reputable organization to expand my learnings, knowledge, and skills. I am very determined person who is eager to learn more in the workplace. Of course, with the help of a huge company like yours. I am very confident in my abilities and eager to learn more while gaining experience in the field of technology

Experience

March 2020 Dec 2021

User Interface Designer Trainee Luthungo Holdings

As a User Interface Designer Trainee, I underwent comprehensive training in the art and science of crafting intuitive and visually appealing user interfaces. This immersive experience equipped me with essential skills in HTML, CSS, and Java, enabling me to create interactive and responsive web interfaces that enhance user experiences.

March 2022 Dec 2022

E-Learning Assistant Walter Sisulu University

This work involves working alongside teaching staff at the University who need assistance in developing teaching and learning resources for their students Working with students to determine progress and make suggestions for improvement and also assisting students with the online learning.

Honing my skills in troubleshooting, content management, and user support.

Sep 2023 Jan 2024

Mobile App Developer Intern Cape Peninsula University of Technology

Independently developed a cross-platform mobile app using React Native and Expo Go, proficiently handling iOS and Android compatibility. Demonstrated strong problem-solving skills by addressing development challenges without mentorship. Actively self-learned and sought help from online resources, showcasing adaptability and resourcefulness. Engaged in full app development lifecycle, including testing, debugging, UI/UX considerations, and project management. Committed to ongoing learning and staying updated in the dynamic field of mobile app development.

Jan 2024 Current

Software developer intern CapaCiti

Undergoing training in Web development/ how to code using HTML, JavaScript, and CSS, and I'm working on creating my own portfolio website. I'm also working with more experienced developers, who are helping me to improve my skills and learn new techniques.

Education

Jan 2014 Dec 2016

Mpingana Senior Secondary Matric

Jan 2019 2022

Walter Sisulu University Diploma in ICT in Application Development
